

Is It A Game?

April 2011

If a game is called due to inclement weather the following shall apply:

If you have played $\frac{1}{2}$ or less of your game, this does **NOT** constitute a game played.

If you have played 1 minute or **MORE** in the **Second** $\frac{1}{2}$, this **IS** a **GAME PLAYED, and the score stands.**

Only a referee can call a game, so if it is raining and you have not been notified by the league that the field has been closed, your team **MUST** show up to play or the game will be a forfeit regardless of the weather.
