

INCLEMENT WEATHER

April 2011

Games are played rain and shine.

Only a referee can call the game, so if it is raining, and you have not been notified by the league that the field is closed, your team must show up to the field or the game will be FORFEIT regardless of the weather.

Games are stopped for 15 minutes for thunder. Take cover, and wait 15 minutes. If there has been no more thunder, then the game can resume.

Games are stopped for 20 minutes for lightning. Take cover, and wait 20 minutes. If there has been no more lightning, then the game can resume.
