

## PAY CARDS

April 2011

The Referee Pay cards should be filled out completely, and must include:

Game no, date, and time, name, field etc.

Please save your cards and mail them all together to Tracy at the end of the season, in **chronological order (date and time)**.

I will write checks when **ALL** the pay cards have been received.

After two weeks, I will email all referees, sharing names of those who have not sent their cards in.
